ABOUT

Proprietor and winemaker Russell P. From began Herman Story Wines in 2001 with 7 barrels stashed in his employer's cellar. What started as a modest homage to his rancher grandfather has become a beacon to those seeking opulent, structured Syrah and Grenache. To maintain balance while giving flavor full stage, Russell works with 30 top-tier vineyards in over 7 distinct growing regions between Santa Barbara and Paso Robles. These are no nonsense, balls to the walls wines that are not for the faint of heart or the pinky raising set.

TASTING NOTES

No one has ever connected this many Slip 'n Slides, you're pretty sure. Twenty-plus plastic runways, slick with hose water and cream, down the side of the tallest hill in town, through the lavender and rosemary, then the strawberry patch, and off a ramp by the lake. Never mind the holes or the rocks alongside. You're going to ride this thing all the way to the soaring finish. Other parents look up, hands shielding their eyes from the sun. Kids sucking down lemon-lime soda and cherry slushies gather at the top, jostling for spots in line. But they need to wait their turn. You built this thing, and it's your time to shine.

NOTES

Do you dream of building a Hearst Castle style mansion that overlooks the speedway, so you can lounge in the pool and watch drag races? Are you a fan of full contact flower arranging? Do you hate it when men shower and shave? Well then this is for you. Rosé of Grenache with a straight six that burns nothing but rose petals, cherries and inhibitions. 'Nuff said.
